Your email address is your key to accessing tennis online

Each member must have their own unique email address to login and that same email cannot be allocated to another member's account.

However children under 15 years are able to use their parent/guardian's email address and then login with a username instead of an email. Family memberships are able to have the one email address.

Please contact our Membership Officer, Matt Gillett via email on membership@healesvilletc.org.au if you require assistance with an email address.

Date of birth (DOB) is a mandatory field

Why does TA need our DOB?

TA uses DOB to negotiate insurance cover on our behalf, develop, run, and administer existing and new competitions, programs, activities and other events to increase the participation of tennis. For example, cardio tennis, hot-shots, young mum's programs, senior participation programs, free tennis days. Refer to <http://www.tennis.com.au/privacy> for more information and reasons why private information is collected.
