**MESSAGE FROM THE PRIME MINISTER**

**HEALESVILLE TENNIS CLUB  
130<sup>TH</sup> ANNIVERSARY**

In its founding years, Healesville was a thriving settlement town with a rapidly growing population. Out of a need for more social and sporting activities, one of Healesville's most treasured institutions was born.

Through wars and depression, hardship and social change, the Healesville Tennis Club has been there for the local community over the past 130 years: building friendships, and engaging in fitness and fun.

Today the Club continues to build on its success by encouraging players of all ages, abilities and backgrounds to get involved in tennis.

I congratulate everyone at Healesville Tennis Club on this milestone anniversary and pay tribute to all the past and current members who have made the Club what it is today.

I trust it will remain strong and successful for many more years to come.
